

# Sam's Adventure

One day, a boy called Sam got a dog. He named him Buddy. Sam brought Buddy on a walk through the forest. They walked for hours but forgot to leave a trail. They got lost. They tried to find their way home but they just went deeper and deeper into the forest.

Eventually, Sam found a cave. They went inside to have a rest. Sam threw a stick for Buddy to fetch. Buddy ran to get the stick but he was afraid to go too deep into the cave because it was too dark. He started barking.

Suddenly, a big furious dragon with red eyes and huge teeth appeared from the dark. Buddy's barking had woken him up. The dragon was angry and tried to eat Sam and Buddy.

Luckily for Sam, a woodchopper was nearby and saved them by frightening the dragon away with his axe. Then the kind woodchopper helped Sam and Buddy to find their way home. Sam and Buddy ate a huge dinner when they got home because they were starving after a long journey in the forest. They were glad to be home.

When Sam went to sleep that night, he had a nightmare about the dragon. In his nightmare, the dragon came to Sam's house and barged through his bedroom wall and captured Sam and Buddy. He took them to a desert and ate them. When Sam woke up he was in shock. He woke up sweating and couldn't get back to sleep. He never went back to the forest again.
